Erratum to: Gender and age differences in components of traffic-related pedestrian death rates: exposure, risk of crash and fatality rate

María Ángeles Onieva-García^{1*}, Virginia Martínez-Ruiz^{2,3,4}, Pablo Lardelli-Claret^{2,3,4}, José Juan Jiménez-Moleón^{2,3,4}, Carmen Amezcua-Prieto^{2,3,4}, Juan de Dios Luna-del-Castillo^{3,4,5} and Eladio Jiménez-Mejías^{2,3,4}

After the publication of this work (Onieva-García et al. 2016) the funder of the project that supports this study requested that in the section 'Acknowledgements' we add the institution: Institute of Health Carlos III. The revised text reads as follows:

Acknowledgments

We wish to thank the Spanish General Traffic Directorate for allowing access to their database of traffic accidents with victims, and K. Shashok for improving the use of English in the manuscript.

This work was supported by the Ministry of Economy and Competitiveness (Instituto de Salud Carlos III (Institute of Health Carlos III, ISCIII)) and the European Regional Development Fund (ERDF) under Research Project Reference P113/01584 and by the Ministry of Education of Spain [grant number AP2012-1975].

A new affiliation was added which was previously omitted.

We apologise for these errors.
